***All above are cordially requested to inform all participants by Daijiro Inada for safety.**

TIRE SERVICES:

We'll not be able to provide on-spot tire services this time, however, DISCOUNT TIRE, Lake Forest, just 3 miles away from the event location, will support tire services and prepare replacing tires also, at good prices. And SUN AUTOMOBILE provides spot air services. If you want to pre-order tires, we have YOKOHAMA tires available. Just call or e-mail us for price and availability. We can ship or deliver at the location.

For Drift: Preparation of 2 pairs rear is recommended.

For Auto-Cross: Preparation of 1 pair front is recommended.

***Tire consumption depends on each driving style, but it is better to have tires of more than 80% treads for all wheels when you come to the event location, in order to drive back home safely.**

FOOD/DRINK SERVICES:

TACOS and sodas will be available at the event location. EL OJO DE AGUA Taco, the best Taco in Riverside and Moreno Valley, at good price.
